

Amazing Destinations: Huaraz, Cajamarca, Pucallpa.

1. Hi,
I'm on vacation this week and I'm in Callejón de Huaylas with my friends Paul and Jack. This place offers a great infrastructure and services for adventure sports lovers like us: skiing, rafting, mountain climbing and trekking. Every morning we are practicing a different sport. Paul and Jack are mountain biking right now and I'm sitting on a huge rock next to Llanganuco Lake, taking lots of photos and relaxing. Local people are very friendly and they live very calm and peaceful lives. See you soon,
Theo

2.

Hello Mam,
We are taking part of an agraturism program in Parcán, Cajamarca. The children and Nick are having a great time. At the mament Fiana is harvesting potatoes and gardening vegetables. Tanya is milking a cow by hand and Nick is enjoying the beautiful scenery surrounding the community. We are learning a lot about the community: their life style and daily activities. The kids dan't want to go home!

3. Hi Steve,
I'm having a great time here in Peru. I'm in Pucallpa now, staying in a beautiful lodge. The weather is very hot and the rainforest is just spectacular. Right now I'm in a floating restaurant on Yarinacocha Lake, eating Paiche (the world's largerst freshwater fish) and drinking Aguaje juice (a delicious local fruit). There are lots of people swimming, fishing and water skiing in the lake. I'm buying lots of arts crafts to take home as souvenirs. Wish you were here!
Love,
Clare
